I am indebted to Professor R.C. Gupta of the Research Centre for History of Science at the Birla Institute of Technology in India for pointing out that, although C.V. Jones was listed in the programme for the 1980 meeting of CSHPM/SCHPM, he in fact was unable to attend.

81.10 COUNCIL OF FEDERATED SOCIETIES

Last October, our society voted 39 to 1 by mail ballot to join the Council of Federated Societies - a Canadian federation of history of science societies. The Canadian Society for History and Philosophy of Science, The Canadian Society for the History of Medicine, and The Canadian Science and Technology Historical Association have also agreed to join the federation. Future meetings of the societies representatives will address administrative issues, such as the budget.
